WITH OUR TEAM TODAY**

DECADES IN PLASTICS.

EXPERIENCE NAVIGATING AN UNPREDICTABLE MARKET.

Our position with major suppliers gives us the ability to secure material and protect your business from disruption.

- Most quotes delivered in 24 hours or less
- Your supply chain partner from reactor to plant.
- Diversified supply sources that keep you running.
- Plastic News Best Places to Work 2025, 1st Place.
- Your plastic resin partner since 1974.

“Lone Star Chemical is extremely responsive and knowledgeable about the products they offer. They offer viable alternatives as options and are very flexible when it comes to deliveries, which we do not always find with resin suppliers.”
